The President, The South Kanara Central Cooperative Bank Ltd., has proposed the employment of 3 additional supervisors of Co-operative Societies for the effective implementation of the Scheme of Intensive Cultivation through Village Cooperatives sanctioned in G.O.Ms.No.803 F&A dated 28.4.50. So far 153 Cooperative Societies have been selected in the South Kanara District for working the scheme of Village Cooperative and they are being supervised by the 12 Cooperative Supervisors working in the district. As the work under the scheme is very heavy which calls for close and effective supervision on the part of the Supervisors, the President of the South Kanara Central Cooperative Bank Ltd., has stated that each Supervisor should not have more than ten societies selected for the scheme, in his circle. On this basis, 15 Cooperative Supervisors are necessary for propaganda and supervision of work under the scheme. As there are only 12 Supervisors in the district, 3 more supervisors will have to be appointed. Since financial resources of the South Kanara Central Cooperative Bank are wholly inadequate to meet the new and additional expenditure on account of the employment of the additional staff, the President of the Central Bank has requested the Government to meet the expenditure which comes to Rs.3834/- per year as per details given below:-

2

Pay of a Supervisor	...	Rs.45/-	(per month).
Fixed Travelling Allowance	..	Rs.35/-	"
Dearness Allowance.	...	Rs.22/-	"
Fixed Contingencies.	...	Rs. 4/8/-	"
TOTAL	...	Rs.106/8/-	

For 3 Supervisors Rs.106/8/- x 12 x 3 = Rs.3834/-

A

The Registrar of Cooperative Societies has recommended the proposal of the President of the South Kanara Central Cooperative Bank in the view that the appointment of the 3 additional Supervisors will promote the successful working of the scheme of the village Cooperatives in the South Kanara District. The Registrar of Cooperative Societies has also stated that this proposal is quite different from his former proposal for the employment of additional staff of 62 Junior Inspectors of Cooperative Societies for the effective working of the scheme of Village Cooperatives in the 7 selected districts including South Kanara district, which is under the consideration of the Government in the Development department.

requested to take further action in the matter. They may be informed that the Government of India have regretted their inability to subsidise the scheme of ~~Rxx~~ Village Cooperatives in the year 52-53 and hence the cost of the present proposal will have to be met entirely from the State funds, if it is decided to accept the same.

Sub: Food Production - Scheme of Intensive cultivation thro' Village Co-operatives - Working of - S.Kanara Dt. - Appointment of 3 addl. supervisors.

Ref: F. & A.(F.P.) Dept's u.o.Note 49761 F-P V1.B/51-7 d.21.4.52.

Food & Agri.(F.P.) dept's u.o. Note on pp.1-2 c.f. may be perused.

The President, S. Kanara Central Co-op. Bank Ltd. has proposed the employment of 3 addl. supervisors of co-op. societies for the effective supervision of the Societies in S.Kanara dt. which have been selected for working the scheme of intensive cultivation through Village Co-operatives. The Registrar and F.& A.(F.P.) dept. have supported the request.

2. In this connection it may be pointed out that the Regr. had separately submitted proposals for the employment of addl. staff of Junior Inspectors to supervise the Societies working the scheme of intensive food production through Village Co-operatives in 7 select districts including S. Kanara. Of the addl. Staff proposed, three Junior Inspectors were intended for S. Kanara dt. The proposals were treated as a Part II Scheme for 1952-53. At the informal discussions held on 13-5-52 by H.M.(Fin) with the H.Ms. concerned, this proposal was not recommended. Hence there seems to be no case to consider the present proposal to employ 3 addl. supervisors for the same purpose.

3. Already there are 12 supervisors working in the district and under the Scheme for the conversion of rural credit societies into multi-purpose societies, the Govt. are already subsidising the Central Banks to enable them to employ addl. Supervisor at the rate of one Supervisor for 20 societies. For orders whether the proposal may be negatived. F. & A.(F.P.) and Fin. may see.

To A.S.

The note of Dev. overleaf, with ref. to this Dept's no note to them in the cf may be perused. The proposal relates to the employment of three addl. supervisors of Co-operative societies in the S.K. dt., for the effective implementation of the scheme of Village Co-operatives sanctioned in G.O. Ms. No. 803 FOA dt. 28.4.50. The Lal (K) President, The South Kanara Central Co-operative Bank Ltd. has ~~proposed~~ made out a case for the employment of the above addl. staff and the ~~Collector has~~ RCS has recommended the proposal.

Dev. have referred to the earlier proposal of the RCS. for the employment of addl. staff of 62 Junior Inspectors of Co-operative societies for supervising the societies working the scheme of Village Co-operatives in the 7 selected dts. including S.K., the proposal which was treated as a Part II Scheme for 1952-53 and subsequently given up at the informal discussions of H.M.(Fin) with the H.Ms. Concerned on 13-5-52 and have stated that in view of the fact that the above proposal has been given up, there is no case further to consider the present proposal for the employment of three addl. supervisors. In this connection it may be pointed out that the two proposals of the RCS.

* para 2 of p/c

are different from one another as stated at K on p/cf. The proposal under consideration is to restrict the subsidies to the cost of 3 addl supervisors proposed to be employed by the J.K. Central Co-op Bank while that which has not been approved by the S.F.C relates to the appointment of 62 addl supervisors of co-op societies which includes 3 addl. Junior Auditors required for the successful working of the scheme in J. Kanara Dist. The annual cost on a/c of the employment of the addl staff of 3 supervisors is only Rs 9534. which is not much. And in case the Govt agree to reconsider their decision regarding the stoppage of subsidy for the scheme as a whole the Govt may succeed in getting from the net cost on a/c of the proposal which is Rs 1911 also to subsidy. The RCS has made out a case that a reasonable amount of subsidising is called for in such cases. - Please see his letter dtd with enclosure at pp 1-4 c/f. This dept. may, therefore, support the proposal. Perhaps, Dev may be requested to reconsider their recommendation at X on p/ante. The case may be sent to Fin through Dev.

(Previous development notes on p1 above.)
Please see T+A (T.P.) note on p2-3 above. T+A (T.P.) has requested to reconsider the proposal at X on p1 above. The views of T+A (T.P.) are apparently based on the presumption that the Govt of India will agree to reconsider their decision regarding the stoppage of subsidy to village Cooperatives. In this connection it is submitted that the Govt of India have not yet restored even the food subsidy. In the circumstances, the file may be sent to Finance first for remarks

1 x' on p 1 above

The proposal in this file relates to the employment of 3 additional supervisors of the co-operative Societies in S. Kanara Dt. for the effective implementation of the village co-operatives sanctioned in G.O.Ms.803 F & A, Dept., dated 28-4-50. The president S. Kanara Central Co-operative Bank had made out a case for the employment of above additional staff. The R.C.S. and F & A.(FP) ~~has~~ recommended the proposal.

Already there are 12 supervisors working in the District and under the scheme for the conversion of rural credit societies into multi-purpose societies, the Govt. are already subsidising the Central Banks to enable them to employ addl. Supervisors at the rate of one supervisor for 20 societies. ~~Besides~~ The Govt. ~~has~~ turned down a proposal of the Registrar for the employment of an additional staff of 62 Junior Insprs. for supervising the societies working the scheme of village cooperatives in 7 select Districts. Of the additional staff proposed, 3 Junior Insprs. were intended for S.Kanara Dist. The proposals were treated as part II scheme for 52-53 and subsequently given up at the in-M(Fin) with the Ministers concerned on formal discussions of 13-5-52. Hence this Dept. viewed that there was no case to consider the present proposal to employ three additional Supervisors for the same purpose. The views of F & A were invited.

F & A have supported the proposal for two reasons, namely, (i) that the two proposals of the R.C.S. are different from one another The proposal under consideration in this file is for subsidising the cost of three additional Supervisors proposed to be employed by S.Kanara Central Co-operative Bank while that which has not been approved by the S.F.C. relates to the appointment of 62 additional Junior Insprs. which includes the additional Junior Insprs. required for the successful working of the scheme in S.Kanana Dt. and (ii) that the annual cost ~~of~~ on account of the employment

employment of additional staff of 3 Supervisors are Rs.3834 is not much and in this case the Govt. of India revive their policy of subsidising the scheme it may only cost Rs.1917 as this Govt. may succeed in getting a 50% subsidy. Though the two proposals are different in form their purpose is the same, i. . r working the scheme of village cooperatives in S. Kanara Dist. The others based upon this dept. reason given by F&A Dept is a presumption that the Govt. of India will revive their policy of subsidising the village cooperatives. This dept. therefore feels that there is no fresh ground to re-consider their decision. The Fin. Dept. who have been consulted in the matter have agreed to the views of this dept.

In the circumstances it is for orders whether the proposal ~~xx~~ may be negatived?
